the ability to look back and recognize the change
from what you were to what you are,

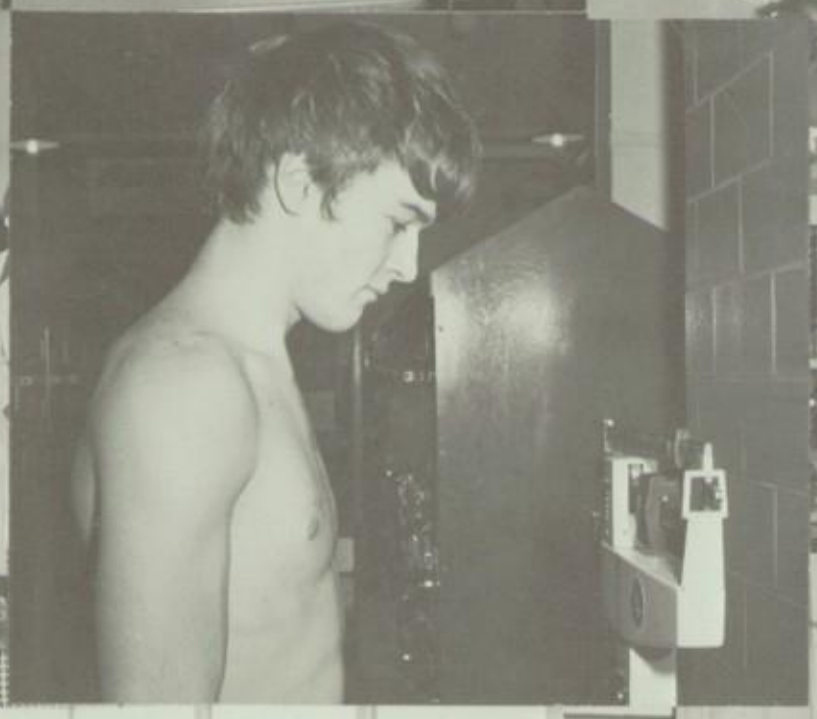
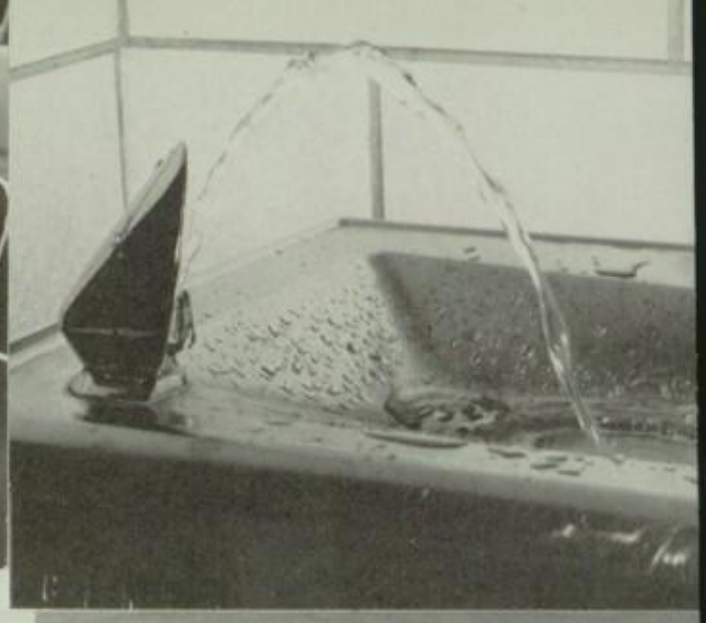
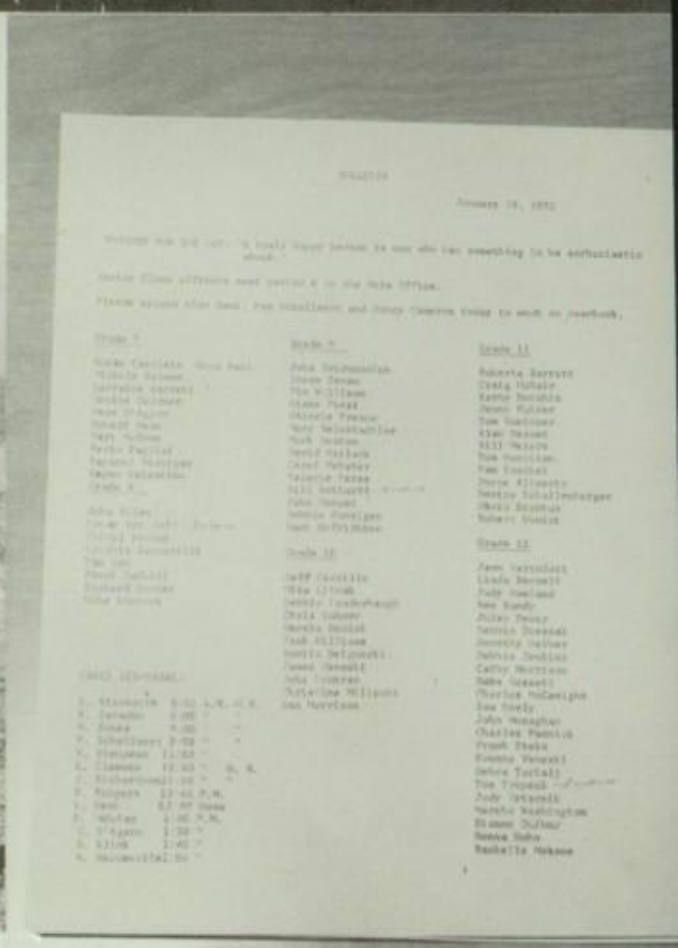
We look back on yesterday . . .
and smile

I think I'm goin' back
To the things I learned so well in my youth.
I think I'm returning to those days
When I was young enough to know the truth.



The world is going 'round.
I don't care what somebody says
Somebody always puts 'em
down —
Red or yellow, black or white.
Are you left-handed or right?
When you open your eyes,
can you see the light?





Looks like nothing's gonna change;

Everything still remains the same.

I can't do what ten people tell me to do,

So I guess I'll remain the same.

Do more than exist: Live
Do more than touch: Feel
Do more than look: Observe
Do more than hear: Listen
Do more than talk: Say Something

We sit with worries
Nothing can solve our problems.
We sit with heartache,
From all the worries.
We sit with loneliness
Thinking about what will become of their lives.
We wake up with all sorts of feelings about their futures . . .
Will they be successful or unsuccessful?
Is there anyone to know our worries?
Will they be able to recognize our thoughts?
Or will it be just another, "They don't care!"

Secretaries

MISS HICKMAN

Miss Hickman has been a member of the South Fayette secretarial staff for 44 years. Her work, like that of the other secretaries, has often gone unappreciated.

Miss Hickman is now retiring and this has been her last year of service to our school. Once gone, we will realize the true dedication that Miss Hickman has given to the student body and administration.

On behalf of the Student Body, administration, and alumni, we would like to take this time to thank you, Miss Hickman, for all you have done to help us. We will remember you always.

As many times every student visits the office throughout the year few stop to realize all the help that is given to us by the secretarial staff. Their hard work, mainly for our welfare, is taken for granted.

On behalf of the senior class, our deepest gratitude is expressed to the High School secretaries for all the time, patience and work they have put forth for us.

South Fayette, may we be
Ever faithful to thee,
May thy children all cherish thy name;

For the good thou hast done,
For each victory we've won,
Alma Mater to thee all thy fame.

Dear Old High, thou has served us
so well,
All thy virtues we never can tell:
Other schools we may all soon forget,
But we'll always love dear
South Fayette.

We realize that the "game days" are not always bright for our coaches. They seemed to forget previous losses and only encouraged us to do better in the future. Our deepest appreciation is expressed to all the coaches, not only for their management, but for their understanding of us as well.
